Welcome

At TTS, we're committed to providing the very best industry-leading resources, expertly designed and selected to support every child, whatever their need. From our innovative TTS Developed resources, to our range of essentials, you'll find everything you need to provide rich sensory spaces to create a love for learning and to support the wellbeing of every child.

TTS turns 40 this year and we would like to offer a huge 'thank you' for your continued loyalty and support over the years.

We continue to be committed to offering innovative resources that enable and empower teachers and students alike. Follow us on social media for celebratory fun throughout the year!

Proud to be in partnership with nasen

TTS are proud to be working in collaboration with the National Association for Special Educational Needs (nasen), a charitable membership organisation that exist to support and champion those working with, and for, children and young people with SEND and learning difficulties.

TTS are proud to have nasen Assured resources, expertly approved by education specialists in line with nasen's Quality Framework programme. Keep your eye out for the nasen Assured logo and head over to their website for more information.

WORKING WITH EXPERTS

We're proud to work with some of the best experts in the industry! Our partners and in-house colleagues spend so much of their time understanding what educators need and helping us develop meaningful resources that nurture a lifelong love of learning.
