

CÓLOUR ME HAPPY

A colouring book designed by TTS
to help children relax and most
importantly smile.

CÓLOUR ME HAPPY

Welcome to our TTS colouring book where children can focus on the present moment with simple yet detailed colouring pages that require mindful concentration to finish. Each page will feature some of our most favourite TTS developed resources and positive quotes to inspire young minds.

This colouring book was designed to help children relax and most importantly smile. Whether the colouring in is good or bad, amazing or terrible, there is no right or wrong way to colour in our pages. We want our TTS colouring book to be a form of self-expression without judgement being made.
