

Eco Daisy Range Chalkboards

- Versatile, fun, colourful and attractive. Perfect for any Early Years and Primary School Settings.
- Ideal for outdoor learning.
- Reusable writing surfaces for text, drawings, numbers and shapes. Able to use across the curriculum.
- Naturally waterproof and even better at repelling water when used with liquid chalk.

Daisy Range: Mini

Our Mini Eco Daisy Chalkboards are fun and engaging and give your pupils a different way to learn. They are available in a class pack of 30 and are ideal for the indoor and outdoor classroom.

- Double-sided.
- Robust.
- Wipe-clean.
- Waterproof.

Use tree branches to display Mini chalkboards creating an instant attractive display in your school entrance area, assembly hall, library, classroom or outdoor learning space.

Daisy Range: Midi

Our Midi Eco Daisy Chalkboards are available in packs of 5 and are ideal for outdoor classroom activities.

- Easy to hold.
- Clear mark-making and brilliant to model learning.
- Made of 100% recyclable material and perfect for recording findings and learning about the world.

Daisy Range: Large

Our Large Eco Daisy Chalkboards can be bought individually or as a pack of 5.

- Use as attractive, colourful, reusable signs around school. Leave clear messages to parents, carers and pupils.
- Easy to mount onto walls and fences.
- Wipe clean at the end of the day.
- Model learning.

Playground Pack
containing 1 Large, 3 Midis
and 10 Minis!**

Daisy Range: Everyday School

- Display each day the school lunch menu.
- Use them for showing all the school rules and reward systems.
- Have them as a daily tally chart for dinner staff to award house points at lunchtime and playtime.
- At playtime use them for ideas for games, for creating different activity zones or for reminders of good behaviour.

Our Eco Daisy Range Chalkboards make ideal signs to inform and welcome students and parents at the beginning and end of the day.

Daisy Range: PSHE and Wellbeing

- The Large boards could be used as signs to encourage group activities and fair play. Attach them to walls and fences and allow children to draw and write on them freely.
- The Midi boards are ideal for fun team games, a play prop in a role-play area or for children to express their thoughts and emotions.
- With the Mini boards create a kindness tree or thought tree with inspiring words and pictures on them. The trees make a lovely display in a reflection area or quiet outdoor space.

Create calming and welcoming indoor and outdoor spaces with our Eco Daisy range in beautiful pastel shades.

Daisy Range: Literacy and Languages

Create a language-rich learning environment and boost literacy skills with our welcoming pastel coloured Eco Daisy Range Chalkboards.

- Use to name and label things, record new words learnt and learn spellings.
- Have fun with phonics and play letter sound and alphabet games.
- Explore rhyming pairs and solve riddles around the school grounds on a treasure hunt.
- Practise letter formation and develop fine motor skills. Improve balance when drawing and writing on the boards.

Perfect for creating a special indoor or outdoor reading area where class stories can be shared. The words and key phrases from the book can be displayed for all to join in.

Daisy Range: Mathematics

Use Large boards:

- to record what has been learnt and strategies used.
- to write a number problem or number challenge each day.
- as a scoreboard for a game.

Use Midi boards:

- to explore shapes and go on a shape hunt.
- to model and practise writing numbers.
- record number facts and play number games.

Use Mini boards:

- for counting and making number lines across a washing line.
- to explore repeated patterns.
- for a maths memory game.

There are multiple fun ways to use the Daisy chalkboards for indoor and outdoor maths activities. The mini boards can be hung on a Maths tree or washing line, the midi to record during activities and the large attached to walls and fences to display information.

Daisy range: Forest School and Science

- The Large boards can be easily attached to walls and fences to create spaces for children to write and draw in the school environment or list things for pupils to look for, listen for, smell and feel.
- Use the Midi boards as note boards for budding nature detectives to record on or use them to weave with found objects.
- The Mini boards are great for labelling trees and plants or used as part of a game or scavenger hunt.

Our Eco Daisy Range is 100% recyclable and will help transform outdoor spaces into stimulating learning zones.

Daisy Range: Art and Crafts

Encourage creativity and imagination.

- The Mini and Midi boards are great for recording patterns in the environment. The mini ones look wonderful displayed on an indoor or outdoor tree.
- The Midi boards are easy to hold and ideal for indoor and outdoor creative work.
- Use the Midi or Large boards to create an art wall where pupils can draw and create their own masterpieces.
- Use the Midi boards with wool/string around them to create weaving looms and find things to weave in and out of them. They will look fantastic!

Daisy range: PE and Playtimes

- Use our Large and Midi chalkboards to create different zones in PE lessons or at playtime.
- Large and Midi boards are ideal for displaying rules for games and can easily be fixed to walls or fences.
- Use them as a scoreboard for sports.
- In PE lessons use them to show fundamental skills.
- Place them at each station in circuit training, or for outdoor and adventurous activities.
