

Baby Chunky Wooden Keys

Product Code: EY07375

NB: Whilst they are called Baby Keys they can be used with different ages.

- We know that children love keys and these are really appealing. Let the children play with them. Babies will love to grasp them. Place them nearby so they can reach for them or crawl to them safely.
- Hide them under voile squares so they can discover them.
- Place them in feely bags.
- Play opening pretend doors. You could use an old cardboard box and cut an opening and pretend to use the key.
- Use as part of a treasure collection. It could be a collection of different kinds of keys or part of a wooden collection.
- Older children may like to pretend they are magic keys and you could weave stories together. What could this key be for? Could it be for a castle, a treasure chest, a locket, a magic door etc.
