# SING IT BAG

## Product Code EY00290

## Introduction

Have fun singing these traditional songs. The chunky wooden pieces can be placed in the bag and pulled out one at a time. The bag can be used by the adult or by the children in a circle. The words (traditional versions) have been included so that they can be shown to the pupils. They can be increased in size for reading purposes or photocopied and sent home to enable parents to participate.

#### Suggestions

- Use in a circle time as a 'reveal' type game as the bag makes a great feely bag!
- Use the pieces to play a treasure hunt game e.g. hiding them around the room.
- Place the cards around the room and ask the children to go to each area and sing the relevant rhyme.
- Hide the pieces in soft sand so the children can discover different rhymes.
- Play a matching game. Sing a rhyme and then choose the correct corresponding pieces.

#### **Care Instructions**

- Wipe clean with a damp cloth
- Do not use in water

# SING IT BAG

Dear Parent/Guardian,

Please can you help your child to learn the rhyme.....

We want you to have an enjoyable time together. Here are some suggestions:

- Sing wherever you are, in the house, in the car, the garden etc.
- Make up actions to match the verses. It could be little gestures or running/dancing around.
- Accompany the rhymes with 'instruments'. You don't need real instruments as wooden spoons, pans, bowls etc make percussion sounds.
- Don't worry about being in perfect tune, it's about having fun and helping your child to develop early skills.
- Paint or draw pictures of the rhymes.
- Sing at different levels, e.g. softly, loudly...

We hope you have fun!

Yours Sincerely,
