

Outdoor Wooden Location Building Shapes

Product Code: EY10016

- These blocks are designed to enable the children to create their own locations and environments. They can stack and line them up in different configurations.
- The blocks could be made into a giant house or an apartment building. Ensure that they have access to a range of accessories to accompany their themed idea.
- Turn the blocks into a shop or a shopping precinct. You could even have a drive through area.
- Make an environment for superheroes. Why not line the shelves with foil and place on a sparkly surface.
- Make an enchanted area for elves and fairies, using natural materials such as moss, stones, pine cones etc.
- Make the blocks into a garage. You could add a flat piece of wood for a ramped area.
- A super space centre could be created.

The blocks lend themselves to a rich variety of play activities. They can be used together or separately.
