# Reading Planet

## Packs by Key Stage

Teachers love Reading Planet!

The whole approach is making our children more excited and interested in reading which is the best thing you could ask from a reading scheme.

Pete Richardsron, Deputy Headteacher – Walton-le-Dale Primary School, Preston

During our recent Ofsted inspection, the lead inspector who conducted the 'Deep Dive' into reading and phonics, loved Reading Planet as a scheme and the way that we knew which books supported which phonic element that was being taught.

Stephen Booth, Acting Headteacher,  
St Barnabas CE First and Middle School

The books are of extremely high quality, beautifully illustrated and match age-related reading expectations.

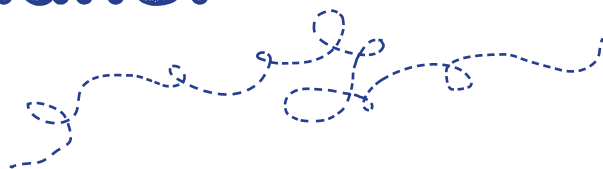

Beckstone Primary School,

Our Phonics pass rate improved by 11% to 83% and we saw a 10% increase in the KS1 Reading SATs results, with 15% increase in greater depth. Reading Planet is definitely one of the things that has helped impact our reading results.

Suzanne Gibbons, Headteacher  
Tranmoor Primary School
