

A New Dimension In Crafting

MATERIAL SAFETY DATA SHEET

Section 1: Identification

Commercial product name: Colored Sand
Manufacturer:
Stone by Stone
Apsifas 3 St. Zippori 1791000, Israel
Tel: 972-4-6463373 Fax: 972-4-6452643
www.stonebystone.co.il

Section 2: Composition / Information of Ingredients

Chemical characterization: 0.3-0.6mm grinded Calcite

Hazardous ingredients:

The ingredients of the material are trade secret and not classified as dangerous by the 2001/50/EC European directive.

Section 3: Hazards Identification

Human health hazard: N/A

Section 4: First Aid Measures

Wash dust from skin with soap and water. Flush out eyes for at least 15 minutes.
Consult a physician if irritation continues.

Section 5: Fire-Fighting Measures

Extinguishing media

Suitable: Use any means suitable for extinguishing surrounding fire.

Not suitable: N/A

Special exposure hazards: N/A

Special protective equipment for fire fighters: Fire fighters should wear full protective clothing and self-contained breathing apparatus in positive pressure mode.

Remark: N/A

Section 6: Accidental release Measures

Personal precautions: Wear suitable gloves and eye/face protection

Environmental precautions: avoid dust

Methods for cleaning up: Sweep up and shovel into suitable containers for disposal.

After cleaning, flush away traces with water.

Section 7: Handling and Storage

Handling: do not breathe dust

Storage: Not relevant.

Specific use(s): N/A

Section 8: Exposure Control / Personal Protection

Exposure limit values: N/A

Occupational exposure controls: if user operations generate dust, fumes or mist, use ventilation to keep exposure to airborne contaminants below the exposure limit.

MATERIAL SAFETY DATA SHEET

Respiratory protection: generally, personal protection is a function of the extent of possible direct exposure to significant amounts of material.

Hygiene measures: Not relevant.

Environmental exposure controls: Not applicable

Exposure guidelines: Not applicable

Section 9: Physical and Chemical properties

General information:

Form: 0.3-0.6mm grains

Color: Variety of colors

Boiling point: N/A

Flash point: N/A

Auto-ignition temperature: N/A

Vapor pressure (20°C): N/A

Vapor density: N/A

Explosion limits in air:

LEL: N/A UEL: N/A

Density (23°C): N/A

Viscosity (20°C): N/A

Solubility (in water): N/A

Section 10: Stability and Reactivity

Hazardous polymerization: will not occur

Incompatibilities: keep away from oxidizing agents.

Hazardous decomposition products: On fire emits toxic and irritating fumes.

Section 11: Toxicological Information

Potential acute health effects

Inhalation: N/A

Ingestion: N/A

Skin contact: N/A

Eyes contact: N/A

Acute toxicity: N/A

Potential Chronic Health Effects

Reproductive toxicity: Not applicable

Carcinogenicity: Not applicable

Mutagenicity: Not applicable

Teratogenicity: Not applicable

Over exposure signs/symptoms: N/A

Target organs: no specific data

Special remarks on toxicity to animals: N/A

MATERIAL SAFETY DATA SHEET

Section 12: Ecological Information

Environmental hazards: No data available

Biodegradability: No data available

Section 13: disposal Considerations

Methods of disposal: Waste must be disposed of in accordance with the federal, state and local environmental control regulations.

Section 14: Transport Information

Not regulated by the DOT, IMDG and ICAO/IATA.

Section 15: Regulatory Information

Labeling is in accordance with the EC directives

Safety phrases: Not required

Section 16: Other Information

Date of issue: February 4, 2021

Version No. 1
