

Active World Alfa Sorting Mat

Product Code EY01241

Suggestions

- Place alphabet tiles/letters on the mat, matching to the printed letters.
- Can you find games eg. find specific letters, letters that start your name, letters of animals, etc. This can also be played with media as well as final sounds.
- Sing the alphabet whilst pointing to the corresponding letter.
- Use with messy materials. Cover with a thin layer of wallpaper paste (fungicide free), cornflour, jelly etc. Find the letters as you swish and swirl around.
- Cover with water (add glitter and food colouring for extra effect). Go fishing for plastic letters.
- Make letters out of dough, pasta, etc. and use the mat as a base board.
- Hunt for the animals on the mat eg. can you find the creature beginning with 'd' or 'c'?
- Trace over the letters with your fingers, starting at the dot.

Care Instructions

The mat is easily wiped clean with a damp cloth. Roll for storage. Keep away from fire.
