

## Bumper Metal Scoop Set

**Product Code: EY06744**

Use these metal scoops in a variety of contexts.

- They are great in role play scenarios. Use them in the supermarket, the pet store, etc.
- Use the scoops in messy play activities. They could be used in the mud, with leaves, etc. They work well in the mud kitchen area or concoctions corner.
- Incorporate them into your maths activities. Look at quantities and compare. Use them to scoop counters.
- Use in the sand and water area.
