

ASSEMBLY INSTRUCTIONS – EY05338 Outdoor Chalkboard

Decide if window is going to be landscape or portrait.

Stand window in desired position and place a support at one end.

Repeat for other end.

 Minimum of 2 people required. Check all parts are present. Read through the instructions before you start. Lay panels out close to where assembled unit will be positioned.

Parts List:

- 1 x Chalkboard
- 1 x Left hand support
- 1 x Right hand support
- 60mm screws

Tools Required

- Screwdriver

Fix together using four 60 mm screws through diagonal braces, and two 60 mm screws through the horizontal brace into pre-drilled holes in end of window frame.
