

Safety Data Sheet

Date of Issue: 12th March 2023

Section 1 Product & Supplier Identification		
1.1	Product Name	Coloured Sand Assorted
	Product code	ACSA
1.2	Recommended Use	Crafting, Art and Play activities
	Restrictions on Use	Suitable for Children age 3years and above
1.3	Supplier Details	Anthony Peters Manufacturing Co. Ltd. The Paddocks. Friars Well Estate. Wartonaby. Leicestershire LE14 3HQ. Tel: 01664 481882
Section 2 Hazards Identification		
2.1	Classification of substance or mixture	
	Physical hazards	Not Classified as dangerous or hazardous.
	Health hazards	Not Classified as dangerous or hazardous.
	Eyes	May cause transient eye irritation.
	Skin	This product is not expected to cause skin irritation following prolonged or repeated use. Exposure to this product is unlikely to result in photo-toxic effects nor systemic toxicity and is unlikely to cause sensitisation following repeated skin contact.
	Inhalation	Inhalation of the product may cause slight irritation of the nose and upper respiratory tract.
	Ingestion	If accidentally swallowed in small amount the formulation is unlikely to cause any adverse effects. Not expected to produce systemic toxicity following ingestion. All materials, if swallowed in large amounts have the potential to cause injury.
	Environmental hazards	Not Classified as dangerous or hazardous
	Classification system: The classification system is according to the Globally Harmonised System of Classification and Labelling of Chemicals (GHS), the EU regulation 9EC) No. 1272/2008 and GB CLP Regulation.	
2.2	Label elements (including precautionary statements)	
	Hazard symbols	None
	Signal words	None
	Hazard statements	None
2.3	Other hazards	N/A
Section 3 Composition / Ingredient Information		
	Ingredient	CAS number
	Natural Stone	N/A
	Various Colouring Pigments	
Section 4 First Aid Measures		
4.1	Description of first aid measures	
	In all cases of doubt, or when symptoms persist, seek medical attention	
	Eyes: Immediately flush with plenty of water. Seek medical attention if irritation persists.	
	Skin: Wash with soap and water.	
	Inhalation: No emergency care anticipated.	
	Ingestion: Wash out mouth and drink plenty of water.	
4.2	Most important symptoms and effects, both acute and delayed	
	No further relevant information available	
4.3	Indication of any immediate attention and special treatment needed	

	No further relevant information available.	
Section 5 Firefighting measures		
5.1	Extinguishing Media	
	Suitable extinguishing media	Product is non-flammable.
	Unsuitable extinguishing media	Product is non-flammable.
5.2	Special hazards arising from the substance or mixture	
	None	
5.3	Special protective equipment and advice for Firefighters	
	Use self-contained breathing apparatus when fighting fires in enclosed areas.	
Section 6 Accidental release measures		
6.1	Personal precautions, protective equipment and emergency procedures	
	N/A	
6.2	Environmental precautions	
	N/A	
6.3	Methods and material for containment and cleaning up	
	N/A	
6.4	Reference to other sections	
	N/A	
Section 7 Handling and storage		
7.1	Precautions for safe handling	
	Wash thoroughly after handling.	
7.2	Conditions for safe storage, including any incompatibilities	
	Store in dry conditions out of sunlight.	
7.3	Specific end use(s)	
	None	
Section 8 Exposure controls / personal protection		
8.1	Control parameters	
	Information on the product an its components indicates that this is not applicable.	
8.2	Exposure controls	
	Personal protective equipment	
	Eye and face protection	None
	Hand protection	None
	Other	
	Respiratory protection	None should be required
	Thermal hazards	None
Section 9 Physical and Chemical properties		
9.1	Information on basic physical and chemical properties	
	Physical state	Solid
	Colour	Various
	Odour	Slight
	Flammability	Non-Flammable
9.2	Other information	
Section 10 Stability and Reactivity		
10.1	Reactivity	
	Non-reactive	
10.2	Chemical stability	
	Stable	
10.3	Possibility of hazardous reactions	
	None	

10.4	Conditions of avoid
	None
10.5	Incompatible materials
	None
10.6	Hazardous decomposition products
	None
Section 11 Toxicological Information	
	Information on this product shows that it would not be expected to be toxic.
Section 12 Ecological Information	
	No known negative ecological effects
Section 13 Disposal Considerations	
	Dispose of in accordance with relevant local regulations.
Section 14 Transport Information	
	Non-hazardous for air, sea or road freight.
Section 15 Regulatory Information	
	This product complies with; EU Toy Safety Directive 2009/48/EC Toys (Safety) Regulations 2011: Great Britain Consumer Product Safety Improvements Act (CPSIA), AASTM F963-17, US Federal Hazardous Substances Act (FHSA) CPSC 16 CFR 1500.3. This product is not classified as a Dangerous Preparation as per the health criteria EU Directives 67/548/EEC and 1999/45/EC.
Section 16 Other Information	
	The information given is based on our knowledge of this product at the time of publication and given in good faith. Please consult the relevant product and/or application information for this product.
