

## Magic Postbox

**Product Code: EY06966**

This delightful postbox has a lovely magical look about it. It can be used in role play scenarios indoors or out (but not left outside).

Children enjoy writing letters and sending messages. They like receiving them even more. Imagine writing a letter to a story character, a famous person in history, the magic elves, etc.

The postbox could be used at Christmas time. As well as for cards it could be the children's letter to Santa.

Children can also express wishes, feelings etc. and post them.
